At the last meeting of the QTF Inc. in 2016, it was agreed to standardize **training costs** from this year and to that end **Ferny Hills training fees will increase as of March 2017.**

I am sure all Students and Parents would acknowledge that Taekwondo is an inexpensive activity with many benefits, and Ferny Hills Fees have not changed for many years.

**Training Fees are as follows.**

\$10 per training session for one member,

\$18 for two members from the one family

\$22 for a family of three. (Some clubs may vary slightly)

**Club and QTF Inc. membership** is \$62.00 for all members due to changes in pricing structure from the National body.

On the up side, the QTF Inc. received a Grant in December 2016 to purchase an Electronic Scoring System. This will give our competitors the opportunity to train

with the latest equipment, and for the QTF Inc. to once again organize and run a reasonable size Tournament for our members.

Kerry and I attended the first WTF International Referee Seminar in Korea at the end of December 2016. Usually after an Olympic year the WTF will make changes to the rules to make the game safer, more exciting or to change the direction of the competition. This time we have experienced the most changes ever encountered at one of these Seminars; fortunately we are now in a position to share those changes with our competitors. The QTF is planning an in-house seminar to bring our instructors and competitors up to date with the latest rules.
